Wedding Presents:

Your presence at our wedding is enough. However, if you do wish to give us a gift we have decided not to opt for a traditional "gift list" as we have at least two of everything! The best present you could get us is honeymoon gift vouchers to help us get to the Maldives. The company we have booked with have set up a gift voucher system and a web page just for us, which can be found at the following web address:

<http://www.nonewsnoshoes.co.uk/maldives/maldives/lewis.htm>

Please take a look at the page, it explains how it works and there are options how to buy the gift vouchers (which will only go towards the honeymoon)

We understand that you may prefer to buy a more traditional wedding gift and we would really appreciate anything and obviously it's entirely up to you.

Love Kate & Andy x
